Contract Highlight

MSTI is proud to manage the nation-wide Army National Guard (ARNG): Military Funeral Honors (MFH) and Survivor Outreach Services (SOS) contract. The ARNG annually performs, on average, over 128,000 Military Funeral Honors (over 85% of all Military Funeral Honors conducted nationwide). The coordination and implementation of personnel, equipment, and training were all conducted by our professional staff. Once the Soldier is laid to rest with dignity by the MFH Team, the SOS program provides support to Survivors and Family Members by providing information, referral and outreach services, so no family is ever forgotten.
